

TECHNOLOGY-ENHANCED Social Entrepreneurship Training based on Content and Language Integrated Learning

2015-1-BG01-KA202-014337

With the support of the ERASMUS+ PROGRAMME of the European Union

What does Social Entrepreneurship have to do with the English language?

Social entrepreneurs by heart and/or by profession, teachers of foreign languages, economics, information technologies and bilingual teachers, and innovators by vocation gathered on July 3rd, 2017, at Kalina Palace Hotel in Tryavna on a Conference for the promotion of SET2CLIL Project outputs (No 2015-1-BG01-KA202-014337).

5 Modules in Social Entrepreneurship, elaborated by an international team of 5 countries, 30 lesson plans provided along with videos, infographics, mind maps and an ePortfolio, as well as 30 examples of successful social enterprises in Europe are part of the project outputs discussed during the event. In addition to topics such as the role and place of the social entrepreneur in our society and the innovative approach of social entrepreneurship training based on CLIL.

Policy makers in education, teachers and active social entrepreneurs debated on the essence of social entrepreneurship and CLIL (Content and language Integrated Learning) and the way the project actually brings them together.

Interactive group work provided for direct contact and assessment of the materials elaborated and for discussions on their applicability.

Mihail Cherkezov from Public Club "Furna", Gabrovo, Natalia Parova (Social rehabilitation and integration Center - Tryavna) and Iliyana Doncheva (Tryavna Municipal Social Cuisine) shared their personal experience as social entrepreneurs.

The Conference ended with a visit to the Staroto Shkolo Museum (*the Old School*) in Tryavna.
